### ***CIVILITY COUNTS!***

AICI has embarked on a new journey to spread a positive "*civility epidemic*" around the world. Inspired by Dr. P. M. Forni's book, *Choosing Civility: The Twenty-Five Rules of Considerate Conduct*. The AICI Civility Counts Project is a multi-faceted long-term initiative aimed at gaining international support for embracing civility and motivating people from all walks of life to make it part of their everyday lives. The primary goal of the project is that AICI members will embrace civility in their own behavior, their communication with each other, their personal appearance and brand. It is envisioned that this will help the world embrace the civility code of conduct which is based on treating others with Respect, Responsibility, and Restraint.
